## Compatibility Testing

*an inexpensive way to help your pet*

**DOES YOUR PET SUFFER FROM**  
or  
**BEEN DIAGNOSED WITH**

- ARTHRITIS**
- CONSTIPATION / DIARRHOEA**
- DIGESTIVE PROBLEM**
- EAR & EYE CONDITIONS**
- RASHES & ITCHY SKIN**
- LUNG CONDITIONS**
- SINUS INFECTIONS**
- ECZEMA / HAIR LOSS**

**FIND OUT WHICH FOODS ARE MAKING YOUR PET UNWELL**

Like people, many Animals suffer from Allergies.

Today your pet is subject to a wide range of foods and chemicals. This often results in many allergies and toxic overload.

Our test of 205 pet items ensures you will be giving your pet the safest foods and products to achieve and maintain their good health and wellbeing.
